LOGICA

Pareti divisorie

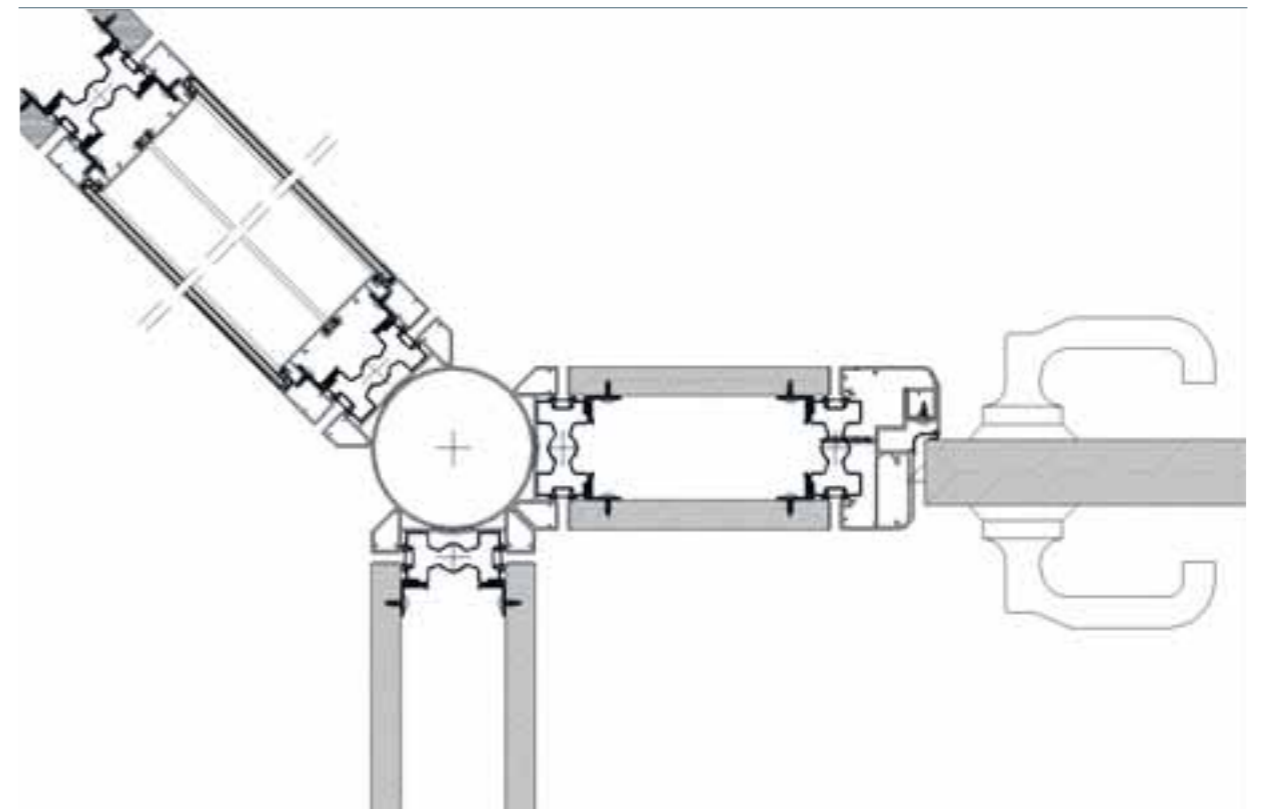

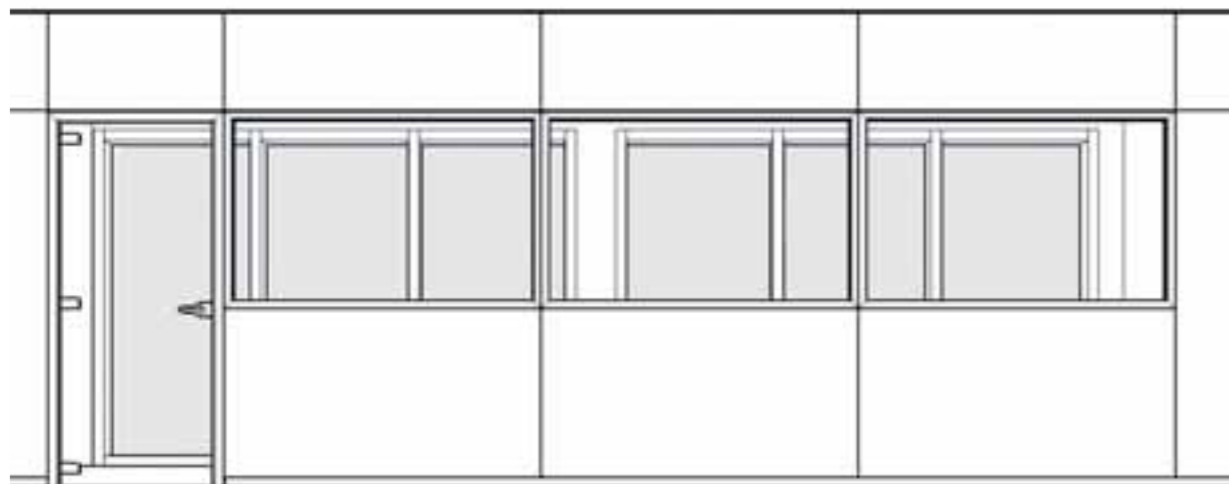

Partition walls

Parois de séparation

La nostra Azienda propone, per la divisione dello spazio ufficio, una moderna e funzionale collezione di robuste pareti divisorie e attrezzate, facilmente integrabili a pavimenti, pavimenti flottanti, soffitti, controsoffitti e muri perimetrali.

To divide office open spaces, our Company proposes a modern, functional collection of study partition and equipped panels that can be easily fixed to floors, floating floors, ceilings, false ceilings and perimeter walls.

Notre entreprise propose, pour la division de l'espace de travail, une collection moderne et fonctionnelle de parois de séparation robustes et équipées, facilement intégrables à des sols, sols flottants, plafonds, faux-plafonds et murs périmétraux.

Con gli angoli
variabili in alluminio
è possibile inclinare
le pareti a piacere e
realizzare raccordi a
3 o 4 vie.

With the adjustable
aluminium corners,
the partition walls
can be tilted as
you prefer and you
can also realize
connections at 3 or
4 ways.

Avec des angles
variables aluminium
vous pouvez incliner
les cloison à volonté et
créer des connexions
à 3 ou 4 voies.

Angolo fisso a 90° in laminato.
90° laminate fixed corner.
Angle fixe de 90° en stratifié.

16 Le finestre delle pareti divisorie sono in realtà il risultato di due semi-finestre contrapposte. Nel punto di contatto sono presenti due guarnizioni a palloncino, che garantiscono l'ermeticità del prodotto composito. A richiesta è possibile montare tra le due semi-finestre, delle tende veneziane a lamelle da 25 mm, con comando orientabile manuale

The windows in the partition panel are, actually, the result of two opposed half-windows. The contact point features two balloon gaskets that ensure the tightness of this composite product. Upon demand, we may also assemble Venetian blinds with 25 mm strips between the two half-windows, with manual tilt control.

Les fenêtres des parois de separation sont en réalité le résultat de deux demi-fenêtres opposées. Au point de contact, se trouvent deux garnitures en forme de ballon, qui garantissent l'herméticité du produit composite. Sur demande, il est possible de monter entre les deux demi-fenêtres, des stores vénitiens à lames de 25 mm avec commande orientable manuelle.

La trasparenza oltre ad essere un valore competitiva è anche parte integrante della nostra cultura aziendale. L'ufficio "in chiaro" rappresenta un valore aggiunto all'ambiente di lavoro favorendo infatti la comunicazione, l'armonia e l'operosità fra le persone del collettivo chi vi opera.

Transparency is not only a competitive value, but also an integral element of our company culture. The "see-through" office is an added value for the environment, because it favours communication, harmony and laboriousness among the people working on the same office space.

La transparence, en plus d'être une valeur compétitive, est également partie intégrante de notre culture d'entreprise. Le bureau "en clair" représente une valeur ajoutée à l'ambiance de travail en favorisant en effet la communication, l'harmonie et l'activité entre les personnes du groupe qui y travaille.

Nelle parti cieche c'è lo spazio per posizionare interruttori luce o prese elettriche.

On the blind parts there is the space to put switches.

Dans certaines parties aveugle il ya l'espace pour placer les interrupteurs ou de prises électriques.

Chiusura terminale in centro stanza in alluminio o laminato.

Aluminium or laminate final closing for the middle of the room.

Fermeture terminale au centre de la salle en aluminium ou stratifié.

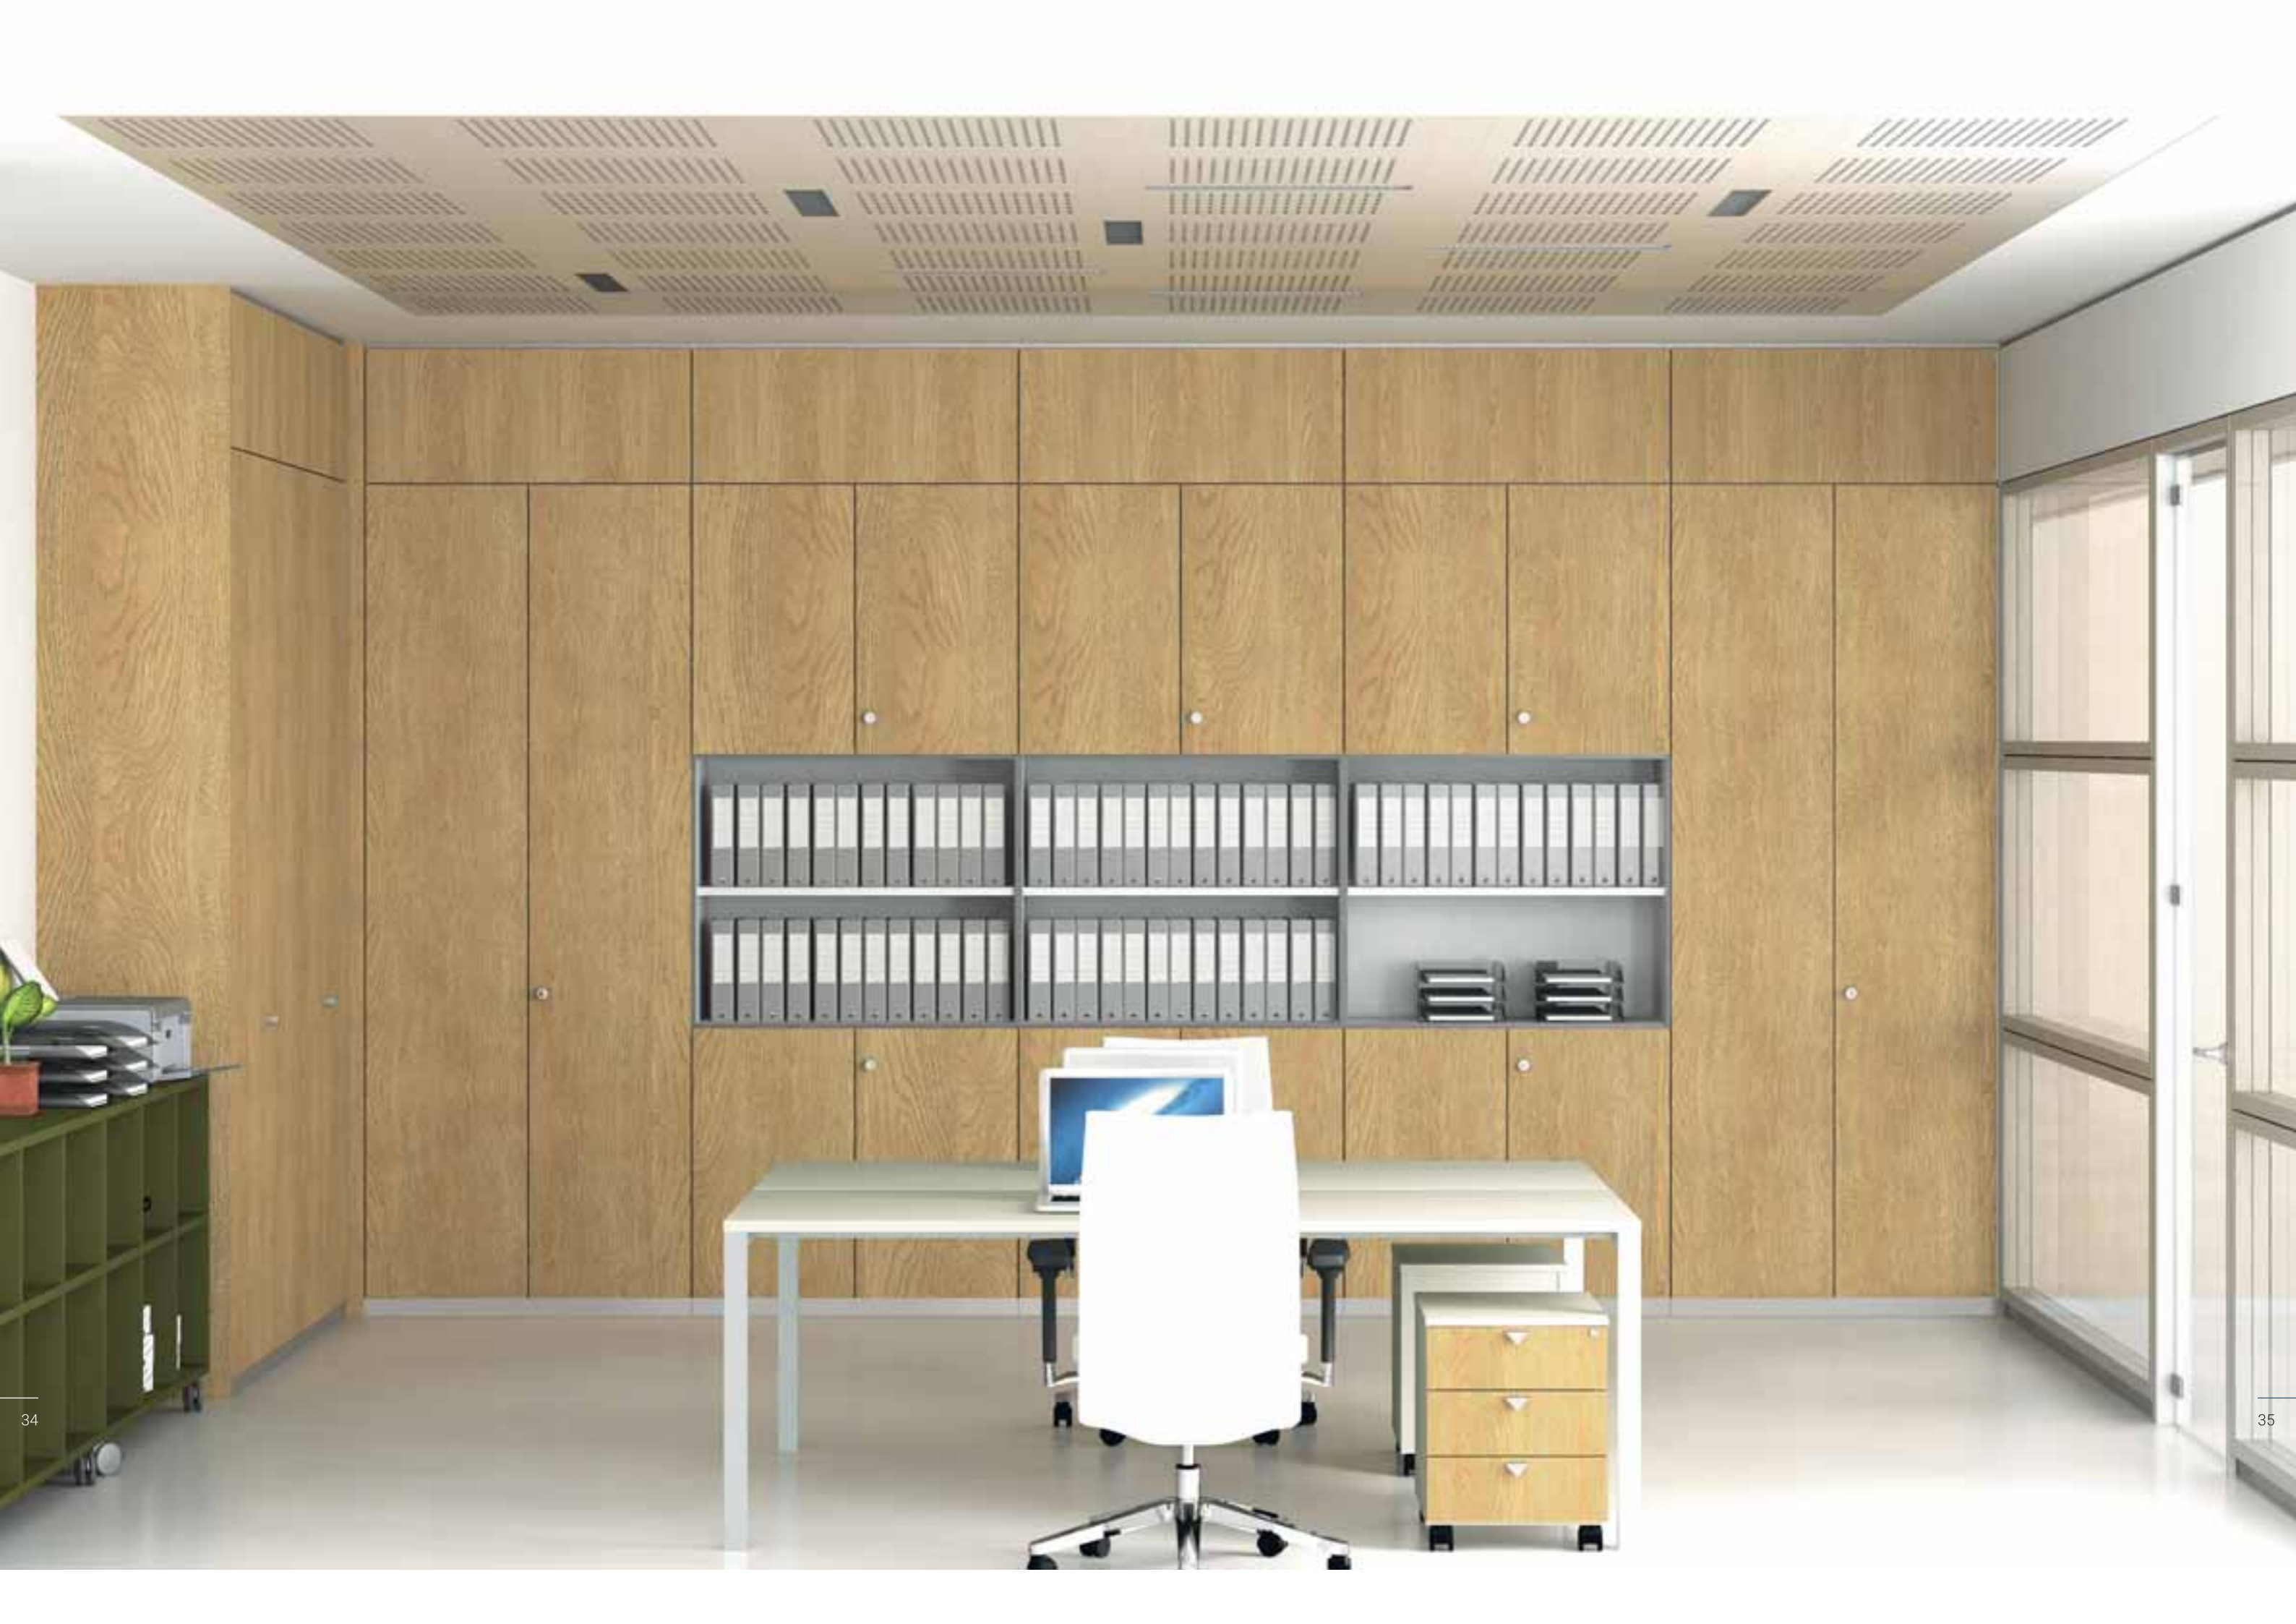

Telaio in alluminio con doppio vetro, complanare.

Aluminium frame
coplanar, double
glass.

*Châssis en aluminium
avec double vitrage,
coplanaires.*

La struttura dell'armadio può essere personalizzata partendo dalla versione base con bordi in ABS in tinta con il fianco, fino ad arrivare a soluzioni più tecniche con bordi con guarnizione grigia o con cremagliere in alluminio forate a passo 32 mm.

The cupboard structure can be personalized: there is the basic version with ABS edges in the same finish of the side, or more technical versions such as the edges with grey protection or aluminium rack where the holes are each 32 mm.

La structure de l'armoire peut être personnalisée à partir de la version base avec des bords en ABS de la même couleur/finition de le côté jusqu'à obtenir des solutions plus technique avec joint d'étanchéité gris ou avec râtelier en aluminium perforé avec trou chaque 32 mm.

Sono disponibili a richiesta ripiani metallici realizzati in lamiera piegata verniciata grigia, predisposti nella parte sottostante per l'aggancio delle cartelle sospese con interasse 330 mm a lettura orizzontale

On request metal shelves are available in bent sheet metal, painted grey. Undemeath they are prepared for holding suspended folders with a 330 mm vertical interaxis. Also on request Ibra cupboards can be furnished with convenient removable folder frames for vertical folders with a 395 mm centre line.

Sur demande, il est également possible d'obtenir des étagères métalliques réalisées en tôle pliée peinte en gris, prévues dans la partie inférieure pour l'accrochage des dossiers suspendus avec un entraxe de 330 mm à lecture verticale. Toujours sur demande; il est possible de garnir les systèmes d'armoire avec des châssis porte-dossiers amovibles très pratiques, pour y ranger des dossiers avec un entraxe de 395 mm à lecture horizontale.
